A screenshot of a software interface for "Capture NX-D Beta". The interface features a dark background with a central image of a camera. On the left, there is a histogram with a blue line graph overlaid. On the right, there is an RGB histogram. Below the RGB histogram, there are two sliders: "Temperature" with a value of 2975 and "Tint" with a value of 2. A yellow button with a white download icon and the text "Download the free Beta version trial." is positioned in the lower-left area of the interface. The top of the interface shows a toolbar with various icons.
